

LNK INVESTS \$68 MILLION IN NATURAL FOOD HOLDINGS

WHITE PLAINS, NY, JUNE 29, 2011 —LNK Partners is pleased to announce an investment in Natural Food Holdings (NFH), with plans to accelerate growth of the premier Niman Ranch brand.

NFH is a leading manufacturer and marketer of all-natural fresh and prepared protein products, primarily pork. The company's largest brand is Niman Ranch, the premier all-natural brand of pork, beef, and lamb that is antibiotic free, hormone free, and raised humanely and environmentally sustainably through a network of U.S. family farms. In addition, NFH markets the Sioux-Preme trade brand and the recently introduced Prairie Grove Farms consumer brand, which is antibiotic free and hormone free but raised through conventional means. The company also operates a custom pork processing business, which serves its own brands as well as third parties.

“We are excited to partner with the Natural Food Holdings management team,” said David Landau, a partner of LNK. “The company's brands fit well with the expertise of our operating partners such as Phil Marineau. As former President of Quaker Oats, President of Dean Foods, and CEO of Pepsi North America, Phil has a highly successful 30-year track record building and operating consumer brands.”

Phil Marineau, a partner of LNK, added, “We look forward to our partnership with Natural Food Holdings. The management team is strong and experienced, the customer value proposition is outstanding, and there are numerous opportunities to work together to continue to grow the business.”

Jeff Swain, CEO of NFH, said, “We chose to partner with LNK because they add real, tangible value based on their deep knowledge and experience in the consumer sector, their extensive relationships in the business, and the fact that they have proven operating expertise as well as financial expertise.”

NFH is the newest addition to LNK's portfolio of leading consumer brands. Previously, LNK invested in PVH's acquisition of Tommy Hilfiger, the recapitalization of Au Bon Pain, a leader in the fast casual restaurant category, and the recapitalization of Ariat, a premier performance equestrian brand.
